## 2022: Best ever GCSE results at BGS

Grade 9	20% of all grades
Grade 8 or 9	42% of all grades
Grade 7, 8 or 9	62% of all grades

GCSE results for 2022 are astoundingly good, the best of any cohort in the modern era that has sat examinations. Last week we wondered whether Year 11 could follow the excellent lead provided by Year 13 with their impressive A-Level results and they have certainly done so! To see 62% of all grades sit at Grade 7 and above is excellent.

The impact of the pandemic has been significant across the country and all young people receiving their GCSEs today should be proud of their success. For us at Bourne Grammar School this means being delighted at the way in which students engaged with our comprehensive programme of online lessons, at the determination with which students and staff approached the targeted catch up programme during 2021/22 and at the level of commitment and support evident throughout the last two years across the whole school community. I would like to thank Ms Creedon, Mr Bowers and all Year 11 tutors in particular for their steering of the cohort through the highs and lows of the GCSE journey and congratulate all our students for the quality of their preparation for the exams. The superb results this year are the product of a real team effort.

*Harry Child achieved grade 9 in every subject*

Some individuals deserve special mention. Four students successfully achieved a Grade 9 in all subjects sat: Charlotte Alder, Anthony Catherwood, Harry Child and Megan Smith. A wonderful achievement. A further nine students achieved a Grade 8 or 9 in all subjects sat: Courteney Bell, Erin Cox, Elijah Ford, Maddy Gamble, Rachael Harrison, Zoe Husbands, Charlie Knight, Sree Ramesh Shankar and Elvin Sajikurian. Fabulous. Finally, the following eight students, in addition to those listed above, achieved at least eight Grade 9s: Seb Beedell, Catie Dawson, George Groom, Efe Halilov, Erin Holden, Elliot Joy, Remi Karim and Tanith Storm. In total thirty-seven students achieved at least a Grade 7 in all subjects. These levels of success are truly outstanding.

A final word to the students: you have done amazingly well. Take time to celebrate and absorb the significance of your achievements and then, having taken stock of everything that is important to you, get stuck into Sixth Form life with gusto whether that be with us at BGS or elsewhere.

Congratulations on your GCSE success!
