SHAKESPEARE SCHOOLS FESTIVAL - Miss Turton, Drama Department

Every Monday after school and during Wednesday lunchtimes, the Shakespeare Schools Festival cast has been hard at work rehearsing an abridged version of *Romeo and Juliet* for a performance at the Key Theatre in Peterborough on Monday 30 October. This year's cast workshop on Monday 2 October offered 31 students the opportunity to work on a professional stage and to learn new techniques to help with their performance. This was a great experience for the students as they were able to understand more about the play and the characters - it also provided a fantastic opportunity to make new friends with fellow actors from the local area.

Under the direction of our student directors, Jenna Taylor (Year 11) and Lara Shell (Year 12), the play is set to be a success.

Our talented cast consists of the following students:

Year 8: Evie Bage, Cameron Ismail, Jessica Mahoney, Oscar Orford, Oscar Potts, Aaron Risk, Esme Thorley, Madeline Waldock, Maria Wright.

Year 9: Liberty Bessent, Jess Briggs, Abigail Hennis, Sophie Palmer, Anna Sloss, Grace Sowerby.

Year 10: George Barber, Bethany Brackenbury, Freya Briggs, Ella Burdock, Ed Chandler, Paige Cheek, Max Etherington, Alex Gibbs, Ben Harvey, Noah Harwood, Lewis Holbrook, Evie Kendrew, Imogen Mears, James Moxley, Tommy Skinner, Fabio Valerio.

YEAR 10 STUDENTS HELP WITH RUGBY FESTIVAL - Mr Binns, PE

On Tuesday 3 October, Year 10 Sports Leaders coached 100 local primary school students in an enjoyable day of Tag Rugby at Bourne Rugby Club. Our students coached small teams in the morning, before organising the students into games of Tag Rugby so they were able to practice their new skills and experience some competition.

The following remarks were received from Rupert Gibson, the School Games Organiser from the Lincolnshire South East School Sport Partnership:

“Many of the Primary Schools commented on what a great job the leaders had done and how much their pupils benefited. Having individual groups of young pupils to work with was a real challenge to the leaders and one they thrived upon.”
